Our Unit, **SALAM ENTERPRISES LLC** handles three divisions, namely, Construction Division, Industrial Division and Water Treatment Division, specialized in a wide range of supplies and services representing reputed manufacturers in Europe and U.S.A.

SALAM ENTERPRISES L.L.C.

CONSTRUCTION DIVISION:

is handling a wide range of top quality materials for construction industries and is specialized in:

- ✓ Fixing Systems
- ✓ Punching Shear Technology
- ✓ Lifting and Transporting Systems for Precast Concrete Industries.
- ✓ Tension Rod Systems.
- ✓ Expansion Joints & Bearing Pads for Buildings & Roadways
- ✓ Expansion & Chemical Anchor Bolts
- ✓ Powder Actuated Tools and Accessories
- ✓ Concrete Rotary Hammer Drill Bits and Chisels

SALAM ENTERPRISES L.L.C.

INDUSTRIAL DIVISION:

Supply of engineering equipments, parts, consumables and services to a large and medium scale industrial plants, such as Cement Plants, Steel & Aluminium Plants and Chemicals & Petrochemical Plants, viz:

- ✓ Refractories (bricks, castables and bonding mortar)
- ✓ Packing, Filling and Bag Applicator Systems.
- ✓ Bagging and Palletizing Systems
- ✓ Loading and Unloading Systems.
- ✓ Bulk Handling and Storing Systems.
- ✓ Conveying Technologies.
- ✓ Screening Technologies.
- ✓ Industrial Fans.
- ✓ Air, Steam, Gases and Dust Treatment Technologies.
- ✓ Chains and Sprockets.
- ✓ Steel Castings and Grinding Media.
- ✓ Gears, Pinions, Couplings, electric motors

SALAM ENTERPRISES L.L.C.

WATER TREATMENT DIVISION:

Design, Supply, Installation, Commissioning and After-sales-service of Water Treatment Equipments, such as:

- ✓ Media Filters
- ✓ Water Softeners
- ✓ Deionizers
- ✓ Reverse Osmosis Systems
- ✓ Ultraviolet Sterilizers
- ✓ Water Bottling Machines
- ✓ Ozonation Systems
- ✓ Cartridges and Antiscalant Chemicals.
- ✓ Sewage Treatment Plants.
- ✓ Water Recycling Plants.

SALAM ENTERPRISES L.L.C.

PRINCIPALS	PRODUCT LINES
Chosun Refractories Co. – South Korea	Bricks, castables and bonding mortar
Haver & Boecker – Germany	Packing & bagging Systems.
Bernard Beumer – Germany	Packaging, conveying systems and palletizing equipment.
SEDIS – France	Industrial Chains and Sprockets
Rexnord – USA	Gears, Couplings, Pinions
Christian Pfeiffer – Germany	Steel castings and grinding media
Venti-Oelde GmbH – Germany	Industrial Fans
Winchester Industrial Tools	Rings, buildups & brick removing tools
Ibau Hamburg – Germany	Bulk Handling and Storing Systems
DRB Dongil Rubber Belts – South Korea	Rubber conveyor belts
Poltece Corporation – South Korea	UHMW-PE (plastic) conveyor rollers
Helmke – Orbic – Germany	Electric Motors, Generators, Transformers, Frequency Converters
HALFEN-DEHA Group – Germany	Lifting and fixing systems for concrete, marble and natural stones.
HEBAU GmbH – Germany	Special chemicals for construction industry.
MKT – Germany	Expansion Bolts and Chemical Injection Systems and Anchors
MKT Fastening – USA	Powder Actuated Tools and Accessories
DREBO – Germany	Concrete Rotary Hammer Drill Bits and Chisels
PROCEQ – Switzerland	Bridge Bearings and Expansion Joints
ETIC International - France	Bridge Bearings and Expansion Joints
HESS – Germany	Block making plants and moulds for concrete blocks.
Crane Environmental – USA	Reverse osmosis plants.
General Ecology, Inc. – USA	Drinking water purification systems.
GE Osmonics – USA/Europe	Control valves, multi-media filters, softeners and demineralizers.
Pure Aqua, Inc. – USA	Reverse osmosis plants, filters & UV
Structural/Pentair Water – Belgium/USA	Composite tanks and accessories
R-Can – Canada	UV Sterilizers
Clack Corp – USA	Filtration Media
Schwelm Anlagentechnik – Germany	Wash water recycling plants.
CelarWater Tech – USA	Ozone Systems
